ECE NBA ACCREDITATION :

## NEWS LETTER

## ACCREDITATION

The purpose of the accreditation by NBA is to promote and recognize excellence in technical education in colleges and universities - at both the undergraduate and post graduate levels. Institutions, students, employers, and the public at large all benefit from the external verification of quality provided through the NBA accreditation process. They also benefit from the process of continuous quality improvement that is encouraged by the NBA's developmental approach to promote excellence in technical education.

## INNOVATION

### STUDENT CORNER

Was there any specific plan to accomplish this goal?

- Nothing specific I was lagging behind in academic and had four backlogs in first year

what do you think worked for you to at HITAM?

- SSDC is the biggest initiative what for me at HITAM. I randomly attended the interview selection of SSDC. I was selected. prof. Vinod Kumar Ahuja has been guiding me in learning and keeping myself updated. I got support from the professor, without me asking for it. He is the one who could sense my need and filled confident in whenever I was low. I never had backlogs joint SSDC I was. spending lot of time in SSDC and gained positive energy.

How did you manage time? Most of the time must have gone in travelling?

- I involve myself in reading for EEE magazines, watching technological interventions related to agriculture which are successful abroad and not implemented in India yet. I have also spend my time in supporting projects related to the technology in SSDC.

What are the most damaging pastime hobbies in Hyderabad according to you and how did you overcome?

- whatsapp is the most damaging pastime hobby if not used properly, SSDC was and will be the answer for me to overcome it.

Many students are struggling with backlogs, attendance and lack of focus. what was your weapon to win over them?

- There are several initiatives at HITAM in addition

to the regular academic we have SSDC, SSG, EPICS, UBA, EWB, GCSB, Pale srujana, Toastmaster affinity club and many more. The best way to engage meaningful is to choose one of the initiative. Participate in any of these activities brings discipline and commitment from the Student.

What will you be?

Currently I am working as intern in one of the reputed company and they are ready to take me as a regular employee once I complete my BTech.

What are some specific future plans on your career?

I am planning to go for higher education abroad

To be a university which nurtures the students with competences to become confident about their career and conurbation to the society
