

BIO SKETCH OF

	Name :KANCHETI SPANDANA
	Designation : Assistant Professor
	Total Experience :2 Years
	Email:spandana.ece@hitam.org
	Mobile: 9133427171
Specialization	EMBEDDED SYSTEMS
Academic Qualification	B.Tech(ECE) in the year 2016 from Rishi M.S Institute of Engineering and technology for women. M.Tech(Embedded systems) in the year 2018 from Institute of Aeronautical Engineering college.
Total Teaching Experience	2 Years
Publication Details	International Journals:
	K.Spandana,V.R.Seshagiri Rao “Internet of things (IOT) based Smart water quality monitoring system”.
	International Conferences:
	National Conferences:
Awards & Honours	
Workshops / Seminars / Conferences /	Three Weeks Refresher Course on “Systems and Signal Processing” conducted by JNTUH.
	Participated in one week FDP on “Real time Embedded Systems & IOT its Applications” conducted by NIT Warangal

Workshops / Seminars / Conferences / Training Programs Attended	Participated in a seven days Faculty development programme on “Machine learning and Deep learning Techniques on Information Retrieval with hands on Python” conducted at MREC(A).
Workshops / Seminars / Conferences / Training Programs Conducted
