

BIO SKETCH OF < tummapudi srinivasulu >

Name : tummapudi srinivasulu

Designation : assistant professor

Total Experience :07

Email: sreenivast.eee@hitam.org

Mobile: 9848574409

Specialization

powersystems and automation.

Academic Qualification

2005-09: Bachelor of Technology (B. Tech) in Electrical and Electronics from JNTUK (at Newton's Institute of Engineering and Technology)

M.Tech / M.E. Details □ 2010-12: Master of Engineering (M.E) in Power Systems and Automation from Andhra University, Vishakhapatnam (at Sir C .R .Reddy college of Engineering)

PhD Details

Total Teaching Experience

7

Publication Details

International Journals:

➤ "Enhancement of power quality with PI controlled multilevel APF in grid distribution" Published in IJATIR-International journal of advanced technology and innovative research- vol.07, Issue.16, Nov-2015.

International Conferences:

National Conferences:

"Classification of Transient Phenomena in Power Transformers using Wavelets& Neural Networks" (National conference held at Vignan's University).

BIO SKETCH OF < tummapudi srinivasulu >

Awards & Honours

- Attended at two days faculty development program at VJIT, Hyderabad.
- Attended a 15 days faculty development program at HITAM, Hyderabad.

Workshops / Seminars / Conferences / Training Programs Attended

ANN based MPPT controller for standalone solar system - NCRCEST-2019

Quality Assurance in Engineering Education at HITAM

Workshops / Seminars / Conferences / Training Programs Conducted

- Organized two days National Work Shop at Hyderabad Institute of Technology and Management, Hyderabad.
- Organized three days Women scientist program sponscerd by DST.
