Department of ECE News Letter.

Editorial Team: Mrs. S.V. Devika
(Editor-in-chief).

Mr. K. Anil Kumar
(Editor)

Chief Patrons:
• Sri Prashanth Arutla
  (Chairman Royal Educational Society)

• Dr. S.V. Rama Krishnam Raju
  Principal, HITAM
Vision of Institute:

“To be a University which nurtures the students with competencies to become confident about their careers and contribute to the society”.

Mission of Institute:

To build capabilities of faculty for facilitating course with innovative pedagogy.

To enrich the programs with relevant and updated curriculum.

To progress by adopting the best practices to the workspace needs as per emerging trends.

To provide industry interface for faculty and students to work on projects with end goal of real time knowledge.
Vision of Department:-

“To achieve academic excellence in Electronics and Communication Engineering education and to train students in contemporary core technologies by developing them into skillful engineers inspired with human values and social needs”.

Mission of Department:-

Facilitating the students with innovative pedagogy and quality infrastructure to acquire knowledge and skill in Electronics and Communication Engineering.

Training students in doing projects, meeting latest technologies.

Nurturing students for understanding and serving society with a concern for environment.
Program Educational Objectives (PEOs)

**PEO1:** Our graduates will be competent enough to work in team for IT as well as for core electronic industry globally.

**PEO2:** Graduates will be leading a successful career in the research and development.

**PEO3:** Our graduates will be addressing societal needs through multidisciplinary engineering projects approach.
Workshop on “Electronic Design Automation (EDA) tools for communication Engineers”.
Organized by Department of ECE on 30th Jan 2017 to 31st Jan 2017.

Objective of the event
The aim of the Electronic Design Automation (EDA) Tools is the technology is changing in many types like T.V, Phones, cells etc. It is all because of development in technology and development in designing. We have many designing tools. One among them is the EDA tool. It is more useful for designing the jobs were we do not have much technology in India, now we are coming up. We are conducting the workshop at the right time on EDA tools. It will be useful for students and especially who are interested in Digital Logic Design and extend to VLSI one of the core subjects in ECE.
ECE Department has successfully conducted a first ever “Career Planning Event” for III & IV B.Tech ECE Students on 20/03/2017 at HITAM. The main motto behind this event is to look back on their careers and their trails are laid down by a panel of experts like

- Sri A.V.R Srinivasa Rao, Deputy General Manager, HAL
- Sri G Gangadharam, Rtd Additional Joint Collector, Prakasam (D) 
- Sri Piyush, IIT, CA Technologies
- Sri M.V. Gopal Reddy, Asst General Manager, SBI
- Sri Madan, CEO, Empower Solutions

All these panel members have discussed about various opportunities to enter into these sectors as fresher's. The panel members have shown their prospective and ideas to grab the opportunities in present scenario and elevated their ideas to students about getting success in their careers.
