

**A TECHNICAL REPORT ON PEDAGOGY IMPLEMENTED**

**Video lectures**

**Power plant engineering**

**Different circuits in steam power plant**

**IV year A & B – I sem**

**AY:2018-19**

*Prepared by: L B Bharath Raju*

*Designation: Assoc Prof*

**Hyderabad Institute of Technology and Management**

**Gowdavelli,vill Medchal, Hyderabad-501401**

**INTRODUCTION ON PEDAGOGY:**

Animated video is shown to students and I will be explaining parallelly.

**PROOFS:**

**NA**

**Outcome:**

At the end of the activity, student should be able to,

1. Understand the working of different circuits in steam power plant.

**Textbooks Referred : Power plant engineering by Er. R k rajput**

**TIME TAKEN TO COMPLETE THE ACTIVITY: 30 MINUTES**

**BEST Performer: 15E51A03A9**

**Slow performer: 15E51A0370**

**NO.OF STUDENTS PARTICIPATED: 47**
